Habiba Noor

Islamabad, Pakistan | 0333 9380307 | habibaiiui1584@gmail.com | Fluent in English & Urdu

Professional Summary

Social media and community leader with nearly 2 years of experience managing end-to-end social media strategy for two brands – from monthly content calendars, daily posting, and campaign execution to performance tracking and stakeholder reporting. Skilled in writing captions and campaign copy, coordinating with designers and instructors, and using engagement and audience data to refine messaging and hit growth targets. Hands-on experience with Instagram, LinkedIn, and WhatsApp, and Canva for content design. Comfortable owning multiple brands, campaigns, and deadlines independently in a cross-functional environment, with fluent English and Urdu communication.

Marketing & Leadership Experience

Founder & CEO – Biotech Squad Islamabad, Pakistan

Student biotech community — Social Media, Marketing & Operations *Feb, 2025 – Present*

- Founded and scaled a biotech community from the ground up to **2000 members**, owning brand positioning, content strategy, and day-to-day operations end-to-end.
- Planned monthly **content calendars** and managed daily posting, captions, and community engagement across **Instagram, LinkedIn, and WhatsApp**, designing content in **Canva** and working with team members to keep all content on brand.
- Built and executed **social media and email campaigns** across multiple platforms that grew audience reach by **40%** and drove registrations for recent webinars.
- Identified growth opportunities and pitched partnerships to **8** organizations, securing **6** collaborations that expanded the community's offerings and revenue base.
- Managed backend operations – cross-functional teams of **35+** volunteers over 3 batches – while setting and tracking quarterly campaign and growth goals.
- Tracked engagement and enrollment **data and KPIs** to refine outreach messaging and prioritize which programs and channels to scale.

Co-Founder – BioSkillz Islamabad, Pakistan

Skills-training initiative — Social Media & Client Engagement *July 2025 – Present*

- Co-led **social media strategy and campaign calendars**, positioning the initiative to a target audience of **1000** students and professionals.
- Handled **content planning, copywriting, and poster/launch campaigns** for courses such as the Canva Complete Design course, coordinating with instructors and designers to meet launch deadlines.
- Managed backend logistics and performance reporting, working independently and with co-founders to hit enrollment and revenue targets each cohort.
- Developed and executed **digital campaigns across LinkedIn, Instagram, WhatsApp, and other channels**, adapting content and messaging to improve audience engagement and conversion.
- Monitored **campaign performance, KPIs, and audience response** to identify opportunities for improving outreach and lead generation.
- Managed audience-facing communication, responding to inquiries and ensuring messaging stayed accurate, consistent, and on-brand.

Teaching Experience

Science Teacher Islamabad, Pakistan

Dar-e-Arqam Schools *Apr – July 2026*

- Delivered daily lessons and presentations to diverse classrooms, translating technical concepts into clear, engaging content in both English and Urdu.
- Built rapport with students and parents through regular consultations, adapting communication style and tone to different audiences – a direct precursor to managing brand voice and messaging across platforms.

Education

International Islamic University Islamabad (IIUI) Islamabad, Pakistan

BS, Biotechnology – CGPA 3.78/4.00 *2022-2026*
